David, The Lower Republican did not release their proposed IMP last week, but I'm told it will be released soon. I will make sure to send you a copy when it is released. I also noticed in the Governor's response that our region's name was incorrect after Mike's name. It is the "Great" Plains not "High" Plains region.

Subject: Lower Republican IMP

Aaron,

Good to see you and talk to you last week at the Kansas Water Authority meeting.

Can you tell me if the Lower Republican NRD has gone public with their draft IMP? We would like to see it when it becomes available.

FYI, we have been working with our Governor's office on response to Governor Heineman's letter. Attached is the version I expect Governor Parkinson to sign on Friday when he gets back from a trip. I expect we will be emailing the signed letter to the Bureau on Friday.

Thanks.

David
