Subject: Harlan County and Lovewell Reservoir storage update

Hello,
Here is the latest updates for Harlan County and Lovewell Reservoirs. As of 3/07/07 Harlan shows 146,083 AF of storage and Lovewell shows 28,644 AF.

Below the reservoir graphs is the last 14 days of flow at the USGS gage on Republican River near Orleans. The flows have tapered off and appear to be continuing to lessen.
