Kenny,

I wanted to pass this information along (sorry about the late notice). We'll be in McCook on Wed. to discuss the preliminary forecast for the Basin for 2014. This should give you a sense of the magnitude of water that may be available next year. If you cannot make the trip on Wednesday we would be happy to send the information along after the meeting and/or discuss with you at a later date.

Thanks,
Jim

James C. Schneider, Ph.D.
