RE: Application to Change the Place of Use
File Nos. 9569, 18910, 21413, 26388, 26722

Dear Mr. Geubelle:

Enclosed you will find a *Summary Order Approving Application for Change in Place of Use* for the above referenced files. Since these orders modify the original documents, it should be recorded at the County Register of Deeds.

These orders modify the authorized acres that can be irrigated by these files. The authorized place of use is as shown on the plats within the change approvals.

A condition of this order is that an acceptable flow meter must be properly installed on the diversion works authorized under the referenced file number in accordance with the Kansas Administrative Regulations 5-1-4 through 5-1-12. This water flow meter shall be used to provide information required on the annual water use report (including the meter reading at the beginning and end of the report year).

This order shall become final if a request for a hearing is not filed with the Chief Engineer within 15 days of the date of service of this order. The date of service is the date listed on the enclosed *Certificate of Service*.

Should you have any questions, please feel free to call this office or arrange an appointment for additional assistance. Please refer to the file number when you contact us if you wish to discuss a specific file.

Sincerely,

A handwritten signature in black ink, appearing to read "T. P. Makens".
