RE: Applications for Change in Place of Use  
Vested Right, File No. ME 11

Dear Mike:

We have completed a review of the application for the above referenced vested right. The proposal is not in conflict with the Management Program of the Southwest Kansas Groundwater Management District No. 3 (GMD3). The proposed change in place of use to bring in 8 new acres to cover the current pivot meets the 10% base acre increase allowable in accordance with K.A.R. 5-5-11(b)(1). It is therefore recommended that the application be approved at this time.

Thank you for the opportunity to review the applications and to provide a recommendation. If you have any questions, please don't hesitate to contact us.

Sincerely,

  
Jason L. Norquest  
Assistant Manager
