Dear Mike:

We have assisted with the applications for the above referenced water rights. The proposal is not in conflict with the Management Program of the Southwest Kansas Groundwater Management District No. 3 (GMD3). The proposed change in place of use will rearrange the acres to better suit the operation and is in accordance with K.A.R. 5-5-11(b). It is therefore recommended that the applications be approved at this time.

Thank you for the opportunity to review the applications and to provide a recommendation. If you have any questions, please don't hesitate to contact us.

Sincerely,

A handwritten signature in blue ink, which appears to read "Jason L. Norquest", is written over the typed name and title. The signature is fluid and cursive in style.
