MEMORANDUM

TO: Files

DATE: March 2, 2021

FROM: Michael A. Meyer
Water Commissioner

RE: Water Right,
File Nos. 664, 6815, 7959, 8799,
22279, 25033

On February 16, 2021, Brad Whitham with C & W Limited Partnership, filed six applications proposing a change in place of use to have a complete overlap in place of use with all files and authorized wells. Mr. Whitham changed his mind to overlap the place of use with another landowner.

The owner has requested the change applications be dismissed. This will allow only his land to remain completely overlapped in place of use and not be joined with another landowner.

Based on the above discussion, it is recommended that the applications to change the place of use filed on February 16, 2021, be dismissed by a Findings and Order.
