RE: Applications for Change in Place of Use
Water Right, File Nos. 12995, 18684 & 22075

Dear Austin:

We have completed a review of the applications for the above referenced water rights. The proposals are not in conflict with the Management Program of the Southwest Kansas Groundwater Management District No. 3 (GMD3). The proposed change in place of use will create a complete overlap in place of use in accordance with K.A.R. 5-5-11(b)(1). It is therefore recommended that the applications be approved at this time.

Thank you for the opportunity to review the applications and to provide a recommendation. If you have any questions, please don't hesitate to contact us.

Sincerely,

A handwritten signature in blue ink, which appears to read "Jason L. Norquest", is written over the typed name.
