RE: Applications for Change in Place of Use
Water Right, File Nos. 41344, 42655 & 44198A

Dear Mike:

We have assisted with the applications for the above referenced water rights. The proposals are not in conflict with the Management Program of the Southwest Kansas Groundwater Management District No. 3 (GMD3). The proposed change in place of use will maintain a complete overlap in authorized place of use in accordance with K.A.R. 5-5-11(b) while rearranging the acres to suit the operation. It is therefore recommended that the applications be approved at this time.

Thank you for the opportunity to review the applications and to provide a recommendation. If you have any questions, please don't hesitate to contact us.

Sincerely,

Jason L. Norquest
