RE: File No(s). 43045, 43046, & 48296

Dear Mr. Hartman,

On January 4, 2018, three (3) applications for approval to change the place of use under the above referenced files were received in our office. Upon review of the applications, it has been found that the accompanying map for each application has not been signed.

Along with this letter, I have included the three (3) application maps. Please review the enclosed maps carefully and ensure any domestic wells within one-half mile of the authorized well location are noted on the map. If there are any wells not shown, please add them and then sign each map.

Please return the signed maps to the Stafford Field Office as soon as possible. If I can be of any further assistance, or if you have any questions regarding the enclosed documents, please give me a call at (620) 234-5311.

Sincerely,
