RE: Applications, File Nos. 50,322

Leonard Wedman has filed the above referenced applications to appropriate groundwater for irrigation use and requested 60 days to locate the points of diversion. The applications were returned to the applicant on June 3rd, 2020, providing 60 days to locate the points of diversion, provide additional information, and return the application by the August 3rd, 2020 deadline. A reminder letter of the upcoming deadline was sent to the applicant on July 1, 2020. The application has not been returned as by the August 3rd, deadline and is recommended for dismissal.

Based on the available information, that the application was not returned within the time allowed, it is recommended that the file be dismissed for failure to return, as provided by K.S.A. 82a-710.

FINDINGS AND ORDER IN THE MATTER OF THE DISMISSAL OF APPLICATION FILE NO. 50,322

After due consideration, the Chief Engineer, Division of Water Resources, Kansas Department of Agriculture (hereinafter referred to as the "Chief Engineer"), makes the following findings and order:

FINDINGS

1. That on December 6, 2019, the Chief Engineer received an application from Leonard Wedman for a permit to appropriate groundwater for beneficial use, assigned File No. 50,322, proposing the appropriation of 224 acre-feet of water, at a maximum requested diversion rate of 800 gallon per minute, for irrigation use. The applicant requested 60 days to locate the specific point of diversion within the Southwest Quarter of Section 29, Township 31 South, Range 5 West, Harper County, Kansas.
2. That on June 3, 2020, the original application was returned to the applicant, with a cover letter requesting that additional information be submitted in order to complete the application. The applicant was provided a deadline of August 3, 2020, the time in which to provide the requested information and return the application. The applicant was informed that the application would be dismissed if it was not returned by the deadline, or within any authorized extension of time.
3. That a reminder letter was sent to the applicant on July 1, 2020, once again stating the August 3, 2020 date that the original application was required to be returned.
4. That the original application was not returned by the August 3, 2020 deadline.
5. That the application should be dismissed and its priority forfeited as provided by K.S.A. 82a-710.

ORDER

NOW, THEREFORE, It is the decision and order of the Chief Engineer, Division of Water Resources, Kansas Department of Agriculture, that effective the date of this order, in accordance with the law, Application, File No. 50,322, is herewith dismissed and the priority assigned to it is considered to be forfeited.

It is so ordered this *28* day of *April*, 2021, in Manhattan, Riley County, Kansas.
