12. The presently authorized use of water is for IRR purposes.
It is proposed that the use be changed to no change requested purposes.

13. If changing the place of use and/or use made of water, describe how the consumptive use will not be increased.
The place of use is being modified to max out base acres and remove any overlap with a new hog facility that is being built on the place of use. A complete overlap with file nos. 17871, 19478, 20824, 29620, 33786, 36663, 36740, & 36740 will allow the pumping of freshwater into the effluent lagoons and subsequent re-diversion on a total of 620.5 acres.

(Please show any calculations here.)

14. It is requested that the maximum annual quantity of water be reduced to _____ (acre-feet or million gallons).

15. It is requested that the maximum rate of diversion of water be reduced to _____ gallons per minute (_____ c.f.s.).

16. The application must include either a topographic map or detailed plat. A U.S. Geological Survey Topographic Map, scale 1:24,000, is available through the Kansas Geological Survey, 1930 Constant Avenue, University of Kansas, Lawrence, Kansas 66047-3726 (www.usgs.gov). The map should show the location of the presently authorized point(s) of diversion. Distances North and West of the Southeast corner of the section must be shown. The presently authorized place of use should also be shown. Identify the center of the section, the section lines and the section corners and show the appropriate section, township, and range numbers on the map. In addition the following information must also be shown on the map.

- a. If a change in the location of the point(s) of diversion is proposed, show:
 - 1) The location of the proposed point(s) of diversion. Distances North and West of the Southeast corner of the section must be shown. Please be certain that the information shown on the map agrees with the information shown in Paragraph Nos. 9, 10 and 11 of the application.
 - 2) If the source of supply is groundwater, please show the location of existing water wells of any kind, including domestic wells, within 1/2 mile of the proposed well or wells. Identify each well as to its use and furnish name and mailing address of the property owner or owners. If there are no wells within 1/2 mile, please indicate so on the map.
 - 3) If the source of supply is surface water, the names and mailing addresses of all landowner(s) 1/2 mile downstream and 1/2 mile upstream from your property lines must be shown.
- b. If a change in the place of use is desired, show the proposed place of use by crosshatching on the map. Please be certain that the information shown on the map agrees with the information shown in Paragraph No. 5 of the application.

17. Attach documentation to show the change(s) proposed herein will not impair existing water rights and relates to the same local source of supply as to which the water-right relates. This information may include statements, plats, geology reports, well logs, test hole logs, and other information as necessary information to show the above. Additional comments may be made below.

No change in source of supply. No impairment will occur.

18. If the proposed change(s) does not meet all applicable rules and regulations of the Kansas Water Appropriation Act, please identify the rules and regulations for which you request a waiver. State the reason why a waiver is needed and why the request should be granted. Attach documentation showing that granting the request will not impair existing water rights and will not prejudicially and unreasonably affect the public interest.

Any use of water that is not as authorized by the water right or permit to authorize water **before** the chief engineer approves this application is a violation of the Kansas Water Appropriation Act for which criminal or civil penalties may be assessed. Such violation is a class C misdemeanor, punishable by a fine not to exceed \$500 and/or a term of confinement not to exceed one month in the county jail. K.S.A. 82a-728(b). Civil penalties shall be not less than \$100 nor more than \$1,000 per violation. In the case of a continuing violation, each day such violation continues may be deemed a separate violation. In addition to these penalties the water right may be modified or suspended. K.S.A. 82a-737, as amended.

The application must be signed by all owners of the place of use authorized under the water right and his or her spouse, if married. Please indicate if there is no spouse. If land is being purchased under contract, the seller must sign as landowner until such time as the contract is completed.

In the event that all applicants cannot appear before one notary public, they may as necessary sign separate copies of the application before any notary public conveniently available to them. All copies signed in this manner shall be considered to be valid parts of the application.

If the request is signed on behalf of any Owner by someone with legal authority to do so (for example, an agent, one who has power of attorney, or an executor, executrix, conservator), it will be necessary to attach proper documents showing such authority.

I declare that I am an owner of the currently authorized place of use as identified herein, or that I represent all such owners and am authorized to make this application on their behalf, and declare further that the statements contained herein are true, correct, and complete. By filing this application I authorize the chief engineer to permanently reduce the quantity of water and/or rate of diversion as specified in sections 14 and 15 of this application.

Perpetual Water, Gas and Electric underground lines only easements for Old Stone Pork LLC, Granite Bottoms, Craig and Genine Ingram, Nelson Farms Inc.

It is agreed by all parties that there are numerous gas lines, electricity lines, waste water, stock water and irrigation lines that cross the properties of Old Stone Pork LLC, Nelson Farms Inc., and Craig and Genine Ingram. At all times the party that owns their respective lines has a 20 foot easement on either side of the lines to maintain, replace or repair these lines and will pay for damages to the crops and other lines that may be damaged for such activities to the respective land owners satisfaction by acres damaged times actual crop production times the commodity price or contracted price at time of harvest at the impacted parties discretion. Failure of liable party to make payment by the end of the year the damages ocured will be grounds for dismissal of this perpetual easement agreement to that party. The impacted party will send by certified mail to the liable party stating you have ten days plus 20% to make payment or you will be dismissed from the agreement. These properties are located in Sections 5,7,8,17 and 18 of Twp. 1 Range 19 West of the 6th Principle Meridian line Phillips County, Kansas.

It is also agreed that many water rights may have a comingling affect by being pumped into lagoons but in no way will any water rights be jeopardized by the comingling and no one can claim any part of any other persons water rights now or in the future that is associated with either Old Stone Pork LLC, Granite Bottoms, Nelson Farms Inc. and Craig and Genine Ingram.

This agreement will survive any transfers, assigns or successors in the future.

Mr. Ingram,

Attached is a copy of the change application that you submitted for the reference file no as well as a blank signature page. As we discussed on the phone, please have all owners sign the application.

In order to be acceptable for filing, change applications shall be signed by at least one owner of the water right, or a duly authorized agent of an owner. Prior to approval, change applications shall be signed by all of the water right owners, including their spouses, or a duly authorized agent of the owners of the right. Records in this office indicate that the landowner of the place of use for File No. 11,424 is the Watkins Family Trust. If the property is held by a different party, please provide documentation in the form of a copy of the recorded deed. A blank signature page has been included for your convenience. Please be reminded that all signatures must be notarized, and photocopies or fax signatures are not acceptable.

Please let me know if you have any questions.
