RE: Applications, File Nos. 50,571 **50,572**

Chris Cox has filed the above referenced application to appropriate groundwater for irrigation use and requested 60 days to locate the points of diversion. The application was returned to the applicant on April 28, 2021, providing 60 days to locate the points of diversion, provide additional information, and return the application by the June 28, 2021 deadline. A reminder letter was sent to the applicant on May 27, 2021. An extension was requested by the applicant and with and was approved. An extension letter was sent out to the applicant on June 22, 2021 providing a new deadline of August 28, 2021 to provide required material. A reminder letter was sent to the applicant on July 28, 2021. The application has not been returned by the applicant by the August 28, 2021 deadline.

Based on the available information, that the application was not returned within the time allowed, it is recommended that the file be dismissed for failure to return, as provided by K.S.A. 82a-710.

## **FINDINGS AND ORDER IN THE MATTER OF THE DISMISSAL OF APPLICATION FILE NO. 50,572**

After due consideration, the Chief Engineer, Division of Water Resources, Kansas Department of Agriculture (hereinafter referred to as the "Chief Engineer"), makes the following findings and order:

### **FINDINGS**

1. That on April 26, 2021 the Chief Engineer received an application from Chris Cox for a permit to appropriate groundwater for beneficial use, assigned File No. 50,572, proposing the appropriation of 480 acre-feet of water, at a maximum requested diversion rate of 800 gallons per minute, for irrigation use. The applicant requested 60 days to locate the specific point of diversion within the Southeast Quarter of Section 15, Township 5 South, Range 25 West, Norton County, Kansas.
2. That on April 28, 2021, the original application was returned to the applicant, with a cover letter requesting that additional information be submitted in order to complete the application. The applicant was provided a deadline of June 28, 2021, the time in which to provide the requested information and return the application. The applicant was informed that the application would be dismissed if it was not returned by the deadline, or within any authorized extension of time.
3. That a reminder letter was sent to the applicant on May 27, 2021, once again stating the June 28, 2021 date that the original application was required to be returned.
4. That the applicant requested and was provided an extension of time with the deadline being August 28, 2021.
5. That a reminder letter was sent to the applicant on July 28, 2021, once again stating the August 28, 2021 that the original application was required to be returned.
6. That the original application was not returned by the August 28, 2021 deadline.
7. That the application should be dismissed and its priority forfeited as provided by K.S.A. 82a-710.

### **ORDER**

NOW, THEREFORE, It is the decision and order of the Chief Engineer, Division of Water Resources, Kansas Department of Agriculture, that effective the date of this order, in accordance with the law, Application, File No. 50,572, is herewith dismissed and the priority assigned to it is considered to be forfeited.

It is so ordered this        day of        , 2021, in Manhattan, Riley County, Kansas.

Re: Application, File No. 50,571

Dear Whom it may concern:

The referenced application was returned to you on April 28, 2021. Enclosed are the Findings and Order by the Chief Engineer, Division of Water Resources, Kansas Department of Agriculture, dismissing Application, File No. 50,571, for failure to return the original application and provide the requested information, prior to the deadline of August 28, 2021.

This is a final agency action. If you choose to appeal this decision or any finding or part thereof, you must do so by filing a petition for review in the manner set forth in the enclosed orders.

If you have any questions, please contact our office. If you wish to discuss a specific file, please have the file number ready so that we may help you more efficiently.

Sincerely,

Kristen Baum
