Comment: Our water billing is now an minimum of \$35.00 for the first 5,000 gallons and 1.00 per thousand thereafter. So therefore we do sell more water at times than we pump with low water users as an aged community. We do not read meters after October 15th until April 15th the following year. We use the average water use during those months as well.

**Part A: Points of Diversion Summary**
