Mike,

~~Mike Clements called and has arranged for the hearing at the Ag Center, Franklin County Fairgrounds in Franklin.~~ Also, be sure to change the ~~Tri-Basin~~ one to Tri-Basin NRD office in Holdrege.

Jim

As Bob Hipple already mentioned, the joint action plan is for only the Republican Basin portion of Tri-Basin NRD. Another item to note is that your draft shows a hearing on June 25 in Hastings. ~~The hearing will be held at the Tri-Basin NRD office in Holdrege.~~

Thanks,

John

Attached for your review is the suggested newspaper notice for the June hearings. The exact locations still need to be filled in. The notice will be published in several newspapers.

DNR will take care of getting the notices to the appropriate papers. The latest acceptable date for the first week of publication is June 3. However, since some of the papers are weeklies, they may have to start publication next week. As a result, Mike Thompson will need to send the final version of the notice out yet this week to at least those papers. If you have any suggested changes, let me know no later than 2:00pm tomorrow (Thursday).

Mike,

I have reserved a meeting room in McCook for Tuesday afternoon. We will be in the north end of this building. I will plan on setting up tables and chairs. Let me know what sort of layout you want. There is a large wall we can use for a screen if needed or I can arrange for a screen from Extension Service.

Community Meeting Room
Red Willow County Fairgrounds
West 5th and O Streets
McCook, Nebraska

If you need to call about anything, talk to Deb at 308-345-4650. They have a sound system if needed.

Dan,

I appreciate the prompt response on the newspapers. Could you send me the name and address of the meeting place we will use for the hearing on June 24?

Thanks,

Mike
