Subject: Authorization to Use GSA Contract Pricing

Dear Ms. Houldsworth:

The Bureau of Reclamation requests that GSA pricing be made available to the Nebraska Department of Natural Resources, P. O. Box 94676, Lincoln, Nebraska 68509-4676, Telephone: 402-471-2363, Contact: Guy Lindeman.

Reclamation has a cooperative agreement with the Nebraska Department of Natural Resources (Nebraska DNR) to increase the remote monitoring capabilities on existing stream gaging sites in the Republican River Basin. The Nebraska DNR will be purchasing remote monitoring equipment and required accessories under Cooperative Agreement No. 03-FC-60-1826, which is a cost-reimbursable contract that meets the requirement stated in 48 CFS 51.1.

The period of this authorization shall coincide with the period covered under Agreement No. 03-FC-60-1826, currently set to expire December 31, 2005. This Agreement may be extended in order to best utilize the funds available. Extensions of this Agreement will also extend the period of this authorization. Modifications to the Agreement will be forwarded to your office upon request.

If you have any questions or need additional information, please contact Jack Wergin at 308-389-4622, extension 209.

Sincerely,
