still wants to know who does what  
Outline where Reclamation takes lead / his duties  
\* E mail make all addresses

1) Purpose - agree with what's there but may  
Add Statement of Fed Purpose  
Add Regor Culver Riverside

Describe Boundary belt on page 3

List # of wells in study area is that only  
NE? Can we get Colorado there?

Thompson - can we ask about on cert to Foodscas

Miscellaneous wells

Make - talk about 5w acres but not 6w acres

Alice - Portion in Colorado not mentioned needs to  
be included

Ann - Colorado only in because of modeling - not  
that critical. I would be glad  
to send E-mail to Bill if Ken Kuo

Jim - we can look at baseflows in lower part assuming  
no releases.

TASK I 4 - Timing of stakeholder info.  
Early to mid January Stakeholder mtg

Mike to send Website + E mail on Appraisal  
Process

Alice - What can we do without feasibility Study
