Dan and Jasper -

Here is Reclamation's e-mail on the upcoming May 4 meetings on a potential Frenchman Valley Study. I will forward you the agenda once we receive it. We would appreciate it if you would be able to attend the 2nd meeting which starts at 10:30 am May 4 in McCook. Dan, I know I originally told you the meeting would be in Grand Island, but Reclamation needed to change the place, so I called last week and left you a message on the change of time and place. I look forward to seeing you on the 4th.

Steve
