

# CONTENTS

(Revised November, 2004)

## I. Membership

Roster / Contact Information for Water Policy Task Force Members  
Map Showing Water Policy Task Force Representation

## II. Charge

Charge to Nebraska Water Policy Task Force  
Brief Summary of LB 1003

## III. Task Force Charter / Operating Rules

## IV. Meeting Minutes

## V. Nebraska Water Law

Nebraska Surface Water Statutes (August 2004)  
Nebraska Ground Water Statutes (October 2004)  
Nebraska Ground Water Management and Protection Act (July 2004)

## VI. Department of Natural Resources Orders

Orders  
Map of Overappropriated Areas  
Map of Areas Under Stays or Moratoriums  
News Release: Designation of Fully Appropriated River Basins, Subbasins, or Reaches Pursuant to LB 962 (September 30, 2004)  
News Release: Designation of Overappropriated Pursuant to LB 962 (September 15, 2004)

## VII. Nebraska Water Resources

The Groundwater Atlas of Nebraska  
(Maps and Diagrams include the following):  
*Average Annual Discharge from Streams and Major Reservoirs*  
*Topographic Regions*  
*Groundwater Regions*  
*Distribution of Principal Geologic Units in the High Plains Aquifer*  
*Block Diagram of Geology*  
*Location of Test Drilling for Hydrogeologic Investigations*  
*Location of Observation Wells For Groundwater Level Monitoring with NRDs*  
*Configuration of the Base of the Principal Groundwater Reservoir*  
*Configuration of the Regional Water Table*  
*Saturated Thickness of the Principal Groundwater Reservoir*

*Depth to the Regional Water Table*  
*Transmissivity of the Principle Groundwater Reservoir*  
*Groundwater Vulnerability to Contamination Using the DRASTIC Method*  
*Surface Water Irrigation Projects and Registered Irrigation Wells*  
*Average Annual and Average Growing Season Precipitation*  
*Departures from Average Annual Precipitation 1850-1890 and Annual Installation of*  
*Registered Irrigation Wells, 1937-1995*  
*Rises and Declines in Groundwater Levels, 1994*  
*Groundwater Management Areas, 1996*  
*Water Bearing Properties of the Major Rock Units in Nebraska*

The Hydrologic Cycle  
Nebraska's Water Supply  
Areas of Significant Groundwater Level Changes, Pre-Development to 2003  
Watershed Boundaries  
Losing Reaches of Streams  
Flowing Waters in Nebraska  
Stream-Aquifer Relationships by Basin (From Policy Issue Study on Int. Mgmt of SW & GW)

#### **VIII. Nebraska Water Use**

"Midlands Voices: Here's How Pumping Groundwater Can Lower A River"; by Roger Patterson and Ann Bleed (September 24, 2004)  
Map of Active Irrigation Well Locations  
Estimated Acres Irrigated in Nebraska (1860-2000)  
Registered Irrigation Wells by Year Completed – 1940,1950,1960,1970,1980,1990,2000  
Nebraska GAP Land Cover Information  
Pie Charts of Nebraska Surface Water and Groundwater Use – 1995  
Western States Irrigation in Comparison to Nebraska - 1995

#### **IX. Conjunctive Use Policy in Nebraska and Other States**

State Conjunctive Use Management Summaries Prepared for Western States Water Council (Summaries for Nevada, Colorado, Texas, and North Dakota)

Managing Hydrologically Connected Surface and Ground Water: Practices from Other Western States

Overappropriation & In-the-field Regulatory Activities Survey for the Western United States

Conjunctive Use of Surface Water and Groundwater in the State of Nebraska (for historical purposes – now out of date)

**X. Other Material / Maps**

Nebraska Water Policy Task Force Makes Recommendations  
Natural Resources Districts Map  
Nebraska Groundwater Management Areas Map
