Modification 003

NEBRASKA 2004 TITLE II DROUGHT ASSISTANCE

Drought assistance is being provided to the Nebraska Department of Natural Resources pursuant to the Reclamation States Emergency Drought Relief Act of 1001 as listed in Section I. Authority of this agreement.

Nebraska requested drought assistance in a May 5, 2004 letter from Governor Mike Johanns to Reclamation Commissioner John Keys. Nebraska was approved for drought assistance by the Commissioner's letter dated June 2, 2004.

Reclamation will provide \$324,000 of FY2004 funding to the Nebraska Department of Natural Resources for the drought assistance projects listed below.

BUDGET

		Drought Assistance	<i>Left to Spend</i>
Improved Hydrologic Data Collection for Drought Monitoring		\$ 299,000
