## PERIODIC REPORT COVER SHEET AND INSTRUCTIONS

Please use this form to file periodic project reports as required in your Trust grant contract. These reports should consist of the following four parts:

1. **The Cover Sheet.** Please complete the information below as requested.
2. **Request for Reimbursement.** You must submit original invoices to document each expense for which you request reimbursement, unless otherwise provided in your grant contract. Each invoice must contain the name, address and social security or federal tax identification number of the vendor, and an itemized list of services or goods with costs and the dates of service or delivery. If invoices contain non-grant items, clearly note the exceptions. On the reverse of this page you will find a table entitled "Summary of Invoices Submitted for Reimbursement." List each invoice on the table, providing the information as requested. Be sure the expenditure description contains sufficient information to determine that the item or activity is a legitimate project expense. The column "Budget Category" references the categories you created in your contract budget outline: each invoice must identify which category name it falls under. Copy the table if you need additional reporting space. Clip the invoices in the order listed on the Summary sheet.
3. **Project Narrative.** On a separate page(s), describe project activities, partners and results of the project for this period. If modifications were made to the project, describe the changes and explain why they were necessary. Quantify any results you can, for example, acres restored, pounds recycled, etc.
4. **Report on Matching and In-Kind Expenditures.** Use this form to report all resources expended on the project other than those funded by the Trust. Examples of these costs could include materials, labor, donations, other matching funds or volunteer labor time.

**Project Sponsor:** Nebraska Water Policy Task Force/Nebraska Department of Natural Resources

**Fiscal Agent:** Steve Gaul, Designated Project Representative or Gayle Starr, Fiscal Officer, NDNR

**Fiscal Agent Address:** P.O. Box 94676, Lincoln, NE 68509-4676

Nebraska Department of Natural Resources

Project # 03-164

Project Sponsor: Nebraska Department of Natural Resources

Report for period from July 1, 2003 through September 30, 2003

**PERIODIC REPORT – JANUARY 1, 2004 TO MARCH 31, 2004 – PROJECT 03-164 LB1003 WATER POLICY STUDY/PROJECT**

The purpose of this project has been to review specific issues related to Nebraska surface water and groundwater law and to identify options and make recommendations to the Governor and Legislature relating to water policy changes deemed desirable by a 49 member water policy task force. Although work began in July 2002 and the task force provided its report to the Unicameral in December 2003, some work on implementation continued in the early months of 2004 and some consultant work that occurred in late 2003 was not billed until early 2004. In early 2004 there were also a number of presentations made to explain the work and recommendations of the task force. The legislation proposed by the task force was adopted by the Nebraska Unicameral with only a few changes and signed into law by Governor Johanns on April 15, 2004. The task force and its charge did not sunset with completion of the legislation and additional work is expected on items within its charge but not fully addressed by the legislation. The task force may also assist with some aspects of implementation of its recommendations / the legislation. There are likely to be some charges for those activities in the final quarter of the grant.
