\* Grand Total includes \$600,000 cash and \$95,000 in-kind. However, with the exception of two members, this does not include credit for what is expected to be about 6,500 hours of effort by task force members. This is being submitted as a budget summary with no budget sheets for individual years because all expenditures to be reimbursed from Trust Funds are expected within a year of receipt. However, effort on the project and expenditure of matching funds began in July of 2002.

56- The in-kind figure for the Attorney General's Office is subject to modification.

\* \* Potential Revised Grand Total includes \$328,388 in cash and \$95,000 in in-kind

\* Potential Actual Expenditures in Period. Both Facilitation Costs and Task Force Per Diem figures are probably overstated. After 6 out of 18 months facilitators have spent about \$45,000 out of projected \$260,388. Costs for Travel Expenses of Task Force have run \$9630 out of \$60,000. However a few bills may not yet be in mind, it is possible that expenses for both facilitation and travel will rise in the final year.
