In the interest of keeping this moving, I am sending this directly to the NRD managers who have been involved in the discussions relating to these rule changes. If Dean forwarded you the draft I sent to him last week, the only changes to this draft from last week's draft are found in Section 001.03E.

Good afternoon:

Based on our conference call this afternoon, I have made further revisions to Section 001.03E in the attached. Please let me know ASAP of any further changes that are necessary.

Dean, have you heard any feedback from the NRDs on the draft I sent to you last week?

We hope this can be addressed at the WPTF meeting this Thursday.
