**Subject:** Addition to proposed legislation re 46-229.04

Good afternoon:  
Attached is a pdf document of statute Section 46-229.04, showing the changes that the WPTF has approved to date, and with additional changes hand-written in on the page marked as page 12. The hand-written changes were the changes that Dennis Strauch mentioned in our meeting the other day.

If the Task Force is okay with these additional chages when it meets next week, I will try to get the changes added to the draft we have sent to Senator Schrock's office.
