Subject: WPTF Revisions

Susan:
I have revised the statutes that we discussed with the WPTF Subcommittee. They are attached. Please let me know if you have any other changes from the meeting that I do not have.

I think what I should do is to send an email with the revised set of changes to the Subcommittee, together with the following as explanation:

Attached are the revisions we agreed to in the WPTF Subcommittee meeting last week. No changes were made to the proposed revisions to Section 2-1588, 2-3240, 46,290, 46-294, 46-294.01, 46-2,112, and 46-602.

The WPTF Subcommittee agreed to a minor change to the revision in 46-229.02(7) to clarify that the section only applies to a water appropriation that has not been perfected pursuant to the terms of the permit. They also agreed to a revision of Section 46-229.03(1)(i) and (j) for clarification. The Subcommittee further agreed to revise Section 46-229.04 to be similar to the wording in Section 46-229.03(1)(f) relating to the information used by the department in determination of nonuse.

Pursuant to our meeting, the Department will revisit the issue of whether it wishes to propose changes to Section 46-290. The change proposed for Section 46-294 is on hold, as the Subcommittee did not reach agreement.

Please see the NOTE on page 19 of the attachment. This paragraph points out the proposed changes that were not discussed within the Subcommittee. If you feel we should meet again to discuss, please contact either me or Susan France to set up a meeting.

Thanks.
Ann

Let me know what you think.
