A WPTF Funding Subcommittee meeting has been scheduled for 7:30 P.M., October 5 at the Kearney Ramada Inn. Draft minutes from the September 8 Subcommittee Meeting are attached. Thirteen NRDs responded to a request made for information on how they developed the budget figures contained in their spreadsheets. Those comments are included in an attachment to this e-mail. Also included are two new sheets aggregating the summary spreadsheet material we have previously considered in a slightly different way. If you have any questions about or suggestions for the meeting, please don't hesitate to contact me.
