Mark,

When you prepare your report or listing of dams use 6 acres as the cut-off and have no discussion as to how we came up with the 6 acre cut-off.

I spoke with Roger, and we want to be consistent with how the other states are doing this.

Thank you,

Pat

Subject: RE: RRCA EC conf call this morning

We have a conference call set up for 10:00 central this morning.

I will not be in the office at that time but should be able to join you.

As this may increase the number of us on the call beyond what Ken/Megan can put together at the spur of the moment, let me offer the following conference call arrangements:

Call in number: 702-759-8418
Access code: 296-3830

Talk to you at 10:00..

David
