

2003 Imagery good for  
irrig vs non-irrig

Risk Management Agency -

2 or 3 years

county assessor info

Crop Insurance

CLUs - updated & reviewed &  
certified them →

- Farmer gets report of all  
his farms & has time to  
contest

- GIS Staff Billy Jo Beck  
chief 437-5279

- CLU acres will be certified  
& used for 2004 for  
program purposes

Dan Steinkruger - FSA  
Harlan, Furnas, Webster

- No prior year without physical  
evidence

- Don't take revised edit  
went out to county  
offices

- Disaster + Crop + Insurance

- Summarized by Form  
- Every year aerial photo

- Good history

- Crop Insurance Files

- by 2005 - use always  
base + use GIS at time  
of crop report.

- From DNR

- Privacy Act + FOI Act

- Signature
