

Mike, 7/3/06

Furnas Co. Rd Dam 1
(Evap-ID 2670) is in
the point file, but
NOT in the polygon file.

See if it needs to
be digitized.

Albi

Water Bodies to Remove from NFR Site Inventory

<u>Evap ID</u>	<u>Reasons to Remove</u>
8	Mud Hole
11	Natural pond, no dam
74	Sandpit, no dam or water backed against road grade - eliminate now
106	Backwater of a hwy, no dam
114	Backwater of a hwy, no dam, mud hole - need field info before eliminate
212	Backwater of a hwy, no dam
323	Re-use pit, no dam
332	Sandpit, no dam, possibly natural lake - eliminate now
344	Borrow pits
349	Gravel pits or natural lake - eliminate now
379	Backwater of a hwy, no dam
522	Natural pond, no dam
529	Natural pond, no dam
544	Natural pond, no dam
573	Some kinds of pits
584	Could not tell what is, duplicates Eliminate
608	Can not be located - Delete record and create new digitized polygon for EVAP-ID 608
628	Natural low spot
637	Borrow pits or natural ponds
643	Borrow pits or natural ponds
654	Borrow pits or natural ponds
660	Borrow pits or natural ponds
722	Borrow pits or natural ponds
725	Natural pond or sandpits
732	Gravel pits
738	Borrow pits
747	Natural low spots

753	Natural low spot or sandpits
755	Natural ponds
787	Natural ponds
803	Natural ponds or borrow pits
809	Natural ponds or borrow pits
810	Natural ponds or borrow pits
816	Natural ponds or borrow pits
820	Natural ponds or borrow pits
827	Natural ponds or borrow pits
828	Natural ponds or borrow pits
830	Natural ponds or borrow pits
835	Natural ponds or borrow pits
852	Backwater of hwy
880	Natural ponds or borrow pits
885	Natural low spot
903	Natural ponds
1032	Natural pond
1135	Sewage pond
1329	Natural low area, no dam
1337	Pawnee Lake, borrow pit? - Keep
1458	May be little water behind Hwy - eliminate
1677	Gravel pits
1699	Cannot be located - leave on list, digitize water if any in 2005
1708	Low spot or a pit
1803	Natural low spot
1807	Natural low spot
1818	Natural low spot
1819	Natural low spot
1820	Natural low spot
1821	Natural low spot

1823	Natural low spot
1902	Natural low spot
1905	Not in Nebraska, Make sure Kansas has it
1944	Natural low spot, no dam
1945	Natural low spot, no dam - leave in - do field investigation
1962	Natural low spot, no dam
1974	Natural low spot, no dam
1980	Natural low spot, no dam
1990	Natural low spot, no dam
1996	Natural low spot, no dam
2012	Natural low spot, no dam
2013	Natural low spot, no dam
2014	Natural low spot, no dam
2021	Natural low spot, no dam
2024	Natural low spot, no dam
2133	Natural low spot, no dam
2159	Natural low spot, no dam
2173	Natural low spot, rainbasin
2229	Natural low spot, no dam
2235	Natural low spots or borrow pits
2242	Natural low spots or borrow pits
2291	Natural low spots or re-use pits
2294	Road structure - field investigation - leave for now
2362	Natural low spots or borrow pits - field investigate - leave for now
2494	Natural low spot or borrow pit
2900	Natural low spots - Sand pit

Those in RED are Mike's decisions and comments.

Other Changes

<u>Evap_ID</u>	<u>Changes</u>
303	move point to larger dam to north
456	remove from Evap inventory
1112	remove from Evap inventory
1672	remove from Evap inventory
2274	move point North to Dam Location
