

**CONFERENCE CALL**

**Republican River Compact Administration**

October 30, 2007

**CALL DETAILS**

Time: 10 a.m. (Central Daylight Time)/9 a.m. (Mountain Daylight Time).  
Length: 2 Hours have been reserved for the call.  
Dial in #: 877-229-1563  
Code: 10300755

**PROPOSED AGENDA**

Discussion of Agenda Items for the Next RRCA Meeting:

1. Memorandum of Agreement between the Commissioners of the Republican River Compact Administration (cross-border consumptive use issue).
2. Non-federal reservoir evaporation below Harlan County Lake.
3. Division of evaporative loss from Harlan County Lake.
4. Recharge and return flow calculation.
5. Calculation of consumptive use of ground water using the RRCA ground water model.
6. USGS Stream Gage Location/Relocation.
7. Other items?

Proposed date for RRCA meeting.

NAD IMPs should require same permit  
for importing  $H_2O$

→ using imported  $H_2O$  (from other state)  
requires offset

→ increased pumping for export requires  
offset & acceptance by other state

---

\* Work up numbers for NE vs. Vt proposal on HCL split

---

\* Ask Jim S. how recharge to change
