Engineering Committee

NF Reservoir Evap - I told them George's memo sounded belligerent

- I told them 1. We review every year
- 2. We remove dams if necessary
- 3. We will review our calculations
- 4. We will have a meeting on Monday & will get back to them by Tuesday.

George explained his memo.

We are to provide comments on report by Monday

u " u " u " u "

Megan =

North Fork stream flows - she got 400 AF less than what's in the 2006 numbers

Is this correct?

What about the other streams?

NF Evap Explanation
 EC Report Comments
 Spreadsheet "

ge. I don't believe Kansas can just make the change in the spreadsheet by fiat

Willem & Dave

Discussion of modeling change

Dave

During WSYA mound credit is counted monthly below HCL - last year it was 237 AF. We get credit only for H₂O during certain months.

Dave

Do we have anything on new modeling effort

Users manual - outline by Aug 13

At the meeting - room for 100 plus front table

Question for Mike?

2 accountings: NE interpretation & KS
Why is the Non-Federal evap below Harlan so much smaller than in previous years?

It is substantially lower everywhere & Why?

Briff call on Friday 2 p.m. CST
