

on all deliverables
Give ~~it~~ a
little & why it's
important &
any suppositions

5. For Marlan Co. Evap. - Evap, irrigation volumes,
& % split

6. Draft up a plan - explain that we are
going to shut down quick response pumping
I mentioned that ~~managers~~
~~that's~~ They were more agreeable to
shutting down the ~~alluvial~~ wells - well
defined area that is well understood
I added Cor any section that intersects the alluvium
