Lots of discussion re: need for IMP

→ Brian agreed that we do not need to stick with the deal from Roger:

- ① Maintain ground water levels
- ② Maintain positive imported water supply

Tina: 3 big issues

- ① Do rules have to be in?

Pam: They don't have to be in there

It's much easier, but they could be separate - we have to know how they will administer

- essence of rules include
- goals clearly defined

Steve Will we have a tic list

Pam We can point out general area of problems

Brian We need to know how they're going to do it, but the people in the district need to know how they are going to enforce plan

① Elwood Issue

③ Republican Issue

Brian If we know what points of contention are, we can lay them on the table - writing is secretary

TOPIC: IMP Meeting - TBNRD / LBNRD

→ Unit of measure is depletion

- Not water levels
- Not IWS
- Not etc.

→ We will help you understand

We will show them that they will affect
state compliance on the Republican
