

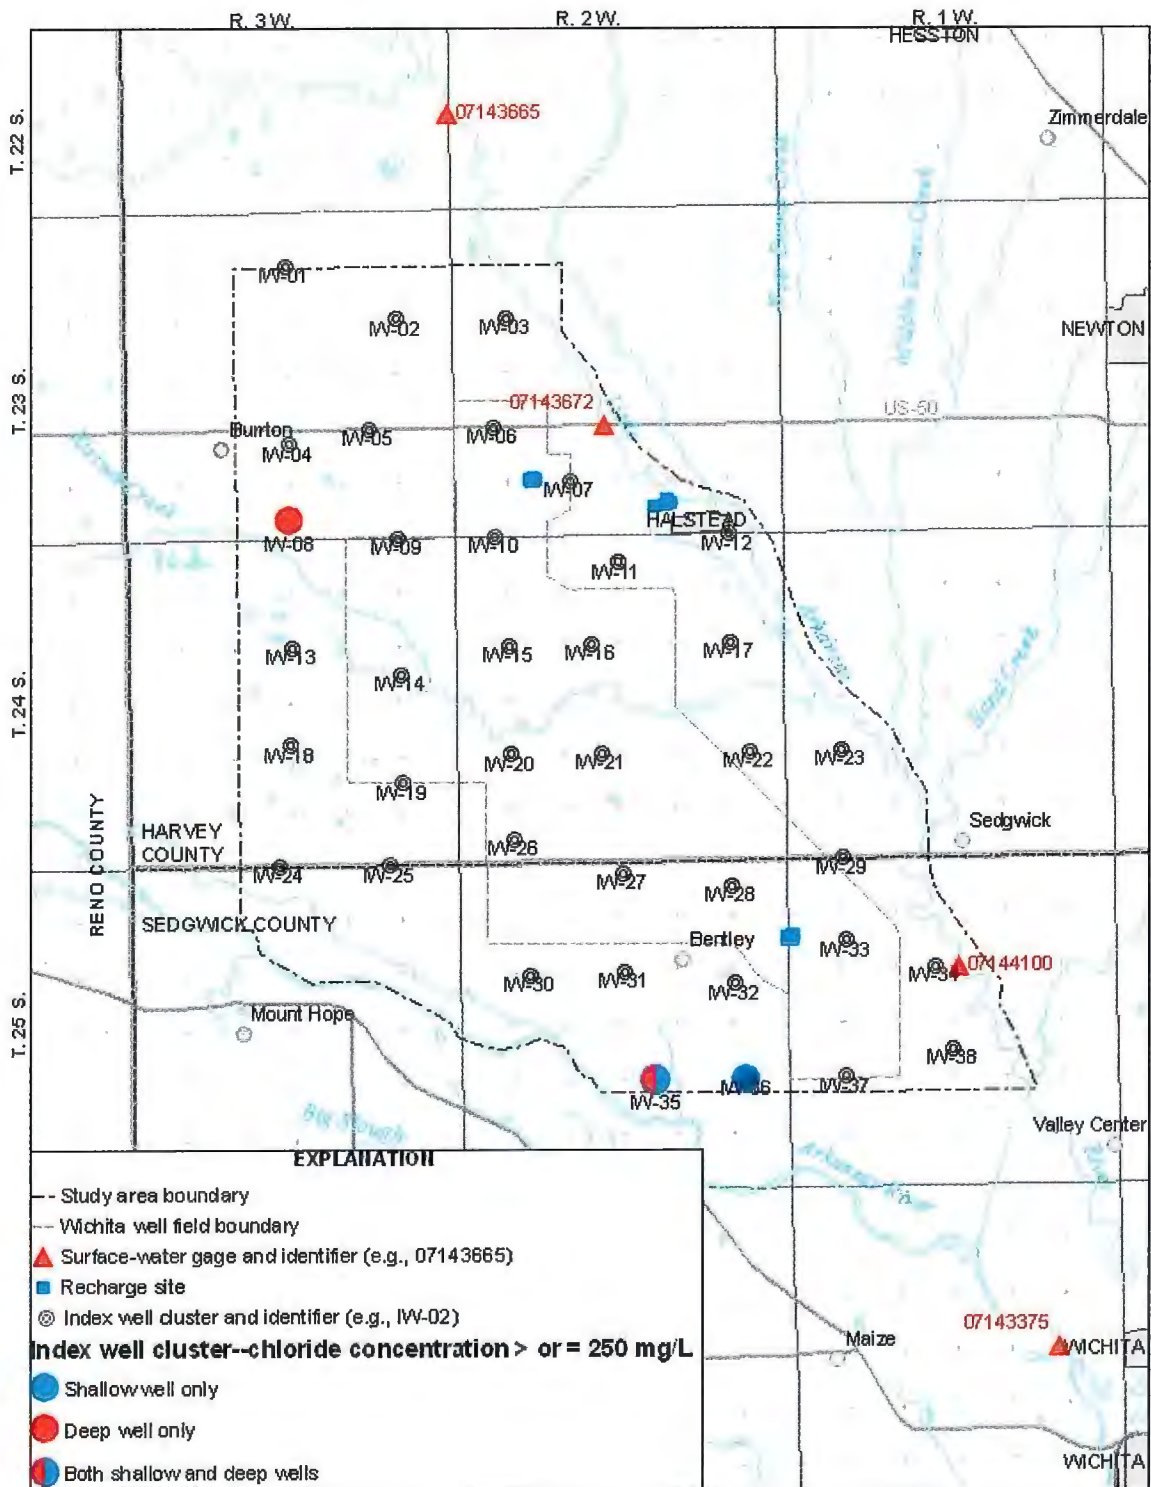

EXHIBIT V

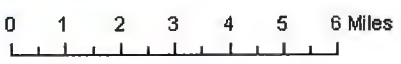

EXPLANATION

- Study area boundary
- - - Wichita well field boundary
- ▲ Surface-water gage and identifier (e.g., 07143665)
- Recharge site
- ⊙ Index well cluster and identifier (e.g., IW-02)

Index well cluster--chloride concentration > or = 250 mg/L

- Shallow well only
- Deep well only
- Both shallow and deep wells

Average chloride concentrations greater than or equal to 250 milligrams per liter, November 2001-August 2004.
