## APPROVAL OF APPLICATION

FOR

CHANGE IN POINT OF DIVERSION

APPLICATION NO. 29,973

On this 1st day of February, 1980, the Chief Engineer, Division of Water Resources, Kansas State Board of Agriculture, after due consideration of the written application of Williams Land, Incorporated, by C.A. Williams, President, T.C. Williams, Vice President, Roger H. Williams, Treasurer, and Larry K. Williams, Secretary, in care of Larry K. Williams, The Halstead Bank, Halstead, Kansas 67056, received on June 21, 1979, for approval of a proposed change in the location of the point of diversion under approved Application No. 29,973 for permit to appropriate water for irrigation use, finds that the proposed change is reasonable and will not impair existing rights and that the proposed change relates to the same local source of supply. The application, therefore, is approved and the proposed change is authorized as follows:

The effective date of the change shall be February 1st, 1980, after which the authorized point of diversion under the approved Application No. 29,973 shall be eleven (11) wells
